## Profile

---

A recent Computer Science graduate with expertise in game development using Unity and Python (Pygame), AI engineering, and data science. I possess extensive experience in web development using ASP.NET Core and SQL Server, along with significant experience in mobile app development using Flutter. I am proficient in problem-solving, object-oriented programming (OOP), and database management. I've completed numerous courses in Java, Python, Flutter, and ReactJS, and interned as a full-stack web developer at Dinark.

## Experience

---

### Full Stack Web Developer Intern

Dinark | Amman, Jordan (2024)

Developed full-stack responsive web applications using ASP.NET Core, SQL Server, HTML, CSS, JavaScript, jQuery, and Bootstrap.

## Education

---

### Bachelor's degree in computer science

Jordan University of Science and Technology | Irbid, Jordan (2020 – 2024)

## Skills

---

- Problem Solving
- Object-Oriented Programming (OOP)
- User Interface (UI) & User Experience (UX) Design
- Visual Studio Code, Visual Studio, PyCharm, IntelliJ
- Data Structures & Algorithms

- Debugging & Testing
- Database Management (SQL Server, MySQL)
- Git & GitHub
- ASP.NET Core MVC/API
- jQuery & Bootstrap
- Postman

## Projects

---

All projects available on GitHub: <https://github.com/HamzaRadaideh>

- RAG System Using LLaMA3: Developed an advanced Retrieval-Augmented Generation system using Python, Ollama, Tkinter.
- Multi-Threaded Dictionary Server: Created a Java server for data retrieval (Java, Docker, JSON).
- Multi-Threaded Client: Designed a client interface to interact with the Java server (Java).
- Full Note-Taking Mobile App: Built a Flutter app for note-taking with dynamic colors for improved UX.
- Food Delivery System: Developing a Flutter-based app for browsing restaurants and managing orders.
- Portfolio Website: Created a personal portfolio website showcasing projects and skills (HTML, CSS, JavaScript).
- E-Learning Platform: Developed using ASP.NET Core MVC, Bootstrap, and jQuery.
- E-Commerce Website: Created using ASP.NET Core MVC, Bootstrap, and jQuery.

## Certificates

---

- Complete Flutter App Development (2024)
- Complete The Java Course (2024)
- React Workshop (2024)
- IEEEExtreme 17.0 Programming Competition Participant
- Data Science Training (2024)
